

With over 25 years of experience, we are a bilingual private school and daycare center, authentic to the vision and method of Dr. Maria Montessori. We care for children from 4 months to 12 years old.

To complete our team in our Kindergarten and after-school care (3 to 6 years) in the Montessori House of Kids in Adliswil, we are looking for a German-speaking Care Specialist FaBe EFZ or with an equivalent education as well as a Montessori 3-6 diploma recognized by AMS Switzerland.

3-6 AMI Montessori teacher German speaking

Start: August 2026

Workload: 100%

You are a team player, committed, responsible, flexible, patient and enjoy working with children aged 3-6 years. You will work together with a co-teacher and will be supported by a community of AMI teachers. One of your strengths is to take responsibility. You will maintain contact with parents and plan events and activities related to the day-to-day running of the House of Kids.

At the House of Kids, you can expect an international, well-coordinated and established team in a new modern location and lovingly designed environments. We speak German and English, so a good knowledge of English is an advantage, but not a requirement.

Applications should be sent to Mrs. Melyssa Felix and Mrs. Corinne Ehinger.
